Arabic Immersion

The first step toward falling in love with Arabic

Ages: 7 to 12 years

What:

- Time-efficient class that is suitable for busy schedule of our children after school
- Mixed methodology of learning through exposure and learning through playing
- Three levels toward completion; starting in the fall and ending by end of spring
- One-on-one interview with the program director to place child in appropriate level
- Each level has set of objectives that lead to the next natural step
- By the end of program a child would have gained a solid foundation in all 4 language skills along with a love for the Arabic language

Where: IACC - upstairs

When: One hour; Monday to Wednesday

Why: Most children do not possess the required background to start a formal language class like our Comprehensive Arabic Program. Intelligent children who may be interested in learning Arabic, do not find a program that prepares them to naturally pick up Arabic as a second language toward their journey with confidence. Arabic Immersion program fills this gap.

Fee: \$85/Month. One-time \$25 registration fee. Siblings discount available.
