

Arabic Seed

The deeper the roots, the greater the fruits

Ages: 2 to 5 years

What: Early education program using the exposure methodology where we provide you with carefully-selected materials (Audio/Video) along with instructions on how to use them.

Where: Child's home. Follow up/consultation can be via email or in-person.

When: Ages 2 to 5 years. The sooner you start the better results child will exhibit.

Why: It is scientifically proven that children subconsciously acquire whatever language they are exposed to starting at age 2. In this new program, we implement the natural approach; more exposure.

Fee: Free!
