## **DUAA REQUEST POLICY**

Below is IACC Policy regarding request to arrange Duaa in the Masjid following the death of a loved one.

IACC community member can request IACC shura or the Imam to make Duaa for a deceased.

Duaa for the deceased will be made after one of the Fard prayer.

IACC not only welcomes reading of the Quran, but it encourages it as an individual act of devotion. If anyone wants to read Quran in the Masjid on their own, they can any time. However, organized collective recitations are not permitted at IACC premises.

IACC does not allow serving food of any kind on its premises.

IACC will not make announcement of Duaa request thru any of its communication channels.

We sincerely request the continued cooperation of all community members on this. May Allah (SWT) reward you all for your cooperation.
