

IACC Elections 2024

Adil Ali Biography

Vision

I want to bring a change in current shura culture and bring more transparency and bridge the gap between the shura and the community members. I also want to bring the trust back so community members can feel at ease while engaging with shura.

Experience

I come from the Dawah background and teach Comparative religions. My specialty is training youth in public speaking and Muslim Apologetics using Bible and Quran. I was a part and chairman of the Dawah Committee engaging various churches and interfaith dialogue at IACC in 2013.

Core Values

I want to make IACC “The training center for Muslim Apologetics”. Living in Texas, which is a bible belt of Christianity, I want to train our youth for future engagements with Christians and missionaries at various colleges, schools, and universities to defend Islam against malicious evangelical propaganda while enhancing their public speaking skills.

Nobody is above accountability. Follow the golden rule of Ihsan in Islam and treat others the way you want to be treated. One of my favorite ayah from Quran is:

“O believers! Stand firm for justice as witnesses for Allah even if it is against yourselves, your parents, or close relatives. Be they rich or poor, Allah is best to ensure their interests. So do not let your desires cause you to deviate from justice. If you distort the testimony or refuse to give it, then know that Allah is certainly All-Aware of what you do” (Surah Nisa 135)

Key Initiatives

My other priorities are to make sure we don't compromise on the budget for the maintenance of our IACC masjid which is our pride and joy.
